

Epic Views

Experience the breathtaking views of Niagara Falls from every angle with these recommendations for the best vantage points.

Niagara Helicopters

Hover 457 metres above the Falls for the perfect aerial shot of the entire city on this must-do adventure, every season of the year.

Niagara City Cruises

Voyage into the mist to get up close and personal on this iconic boat ride! Get an epic view (and a little wet) as you sail toward the Falls, 51 metres below the brink.

Skylon Tower

Towering 236 meters above the mighty Falls. The only thing more exciting than this world-renowned view is the glass-enclosed elevator ride you'll take to get there.

WildPlay Zipline to the Falls

A thrilling panoramic ride 67 metres above the natural marvel. Only for those brave enough to soar towards the Falls at speeds of up to 70 km/h.

Niagara SkyWheel

With climate-controlled gondolas perfect for any weather, this leisurely ride provides a city-wide vista, 53 metres above the plunging Falls. It's the largest wheel in Canada!

Table Rock Welcome Centre

Arguably one of the best views in the world, the viewing platform at Table Rock will bring you as close to the brink of the Falls as you can be – a mere 3 metres away.

Journey Behind the Falls

Descend 38 metres below the brink of the Falls to explore 130-year-old tunnels leading to an observation deck and viewing portal to get a glimpse behind the wonder.

Room With a View

Book a Fallsview room and enjoy the majesty of the Falls from the comfort of your bed, any time of the day.

While your itinerary might be action packed, making sure you have a great place to rest your head will take your visit to the next level. There's nowhere else in the world that offers rooms with views like these.
